

# Moving House?

## Don't leave everything to the last minute!

FOLLOW OUR CHECKLIST FOR A STRESS FREE HOUSE MOVE

- Declutter, sell or take unwanted items to charity.
- Research, reviews and get quotes to book your removals company - or simply save time and book with us!
- If you're self-packing, acquire boxes and begin packing non-essential items.
- Contact utilities companies to inform them of your move.
- Contact banks, financial institutions & government organisations.
- Redirect mail at post office - this can be done online.

- Confirm with estate agent/solicitors your moving date and what time you can pick up your keys.
- Confirm with your removal company that they can do your date.
- Label keys and prepare handover folder containing useful information for new owners.

- Ensure everything is safely and securely packed and ready to go!

- Take meter readings.
- Ensure removals company has easy access to your property.
- If you booked Bamboo Removals, sit back and relax.

"Professional from start to finish. Sam and the boys were so unbelievably helpful, polite and lovely and made our move as stress free and comfortable as possible." - Jessica Newton
